

Education

PhD Chemistry, Oxford University (1994-1998) - Laser spectroscopy, surface chemistry, reaction dynamics.

BA(Hons) in Chemistry, Oxford University (1990-1994)

Experience

Lecturer, Bristol University (2025-present, Bristol, UK)

Senior Research Scientist, National Centre for Atmospheric Science (2016-2025, Cambridge UK)

Research Scientist, Chemistry Dept (2012-2016, Cambridge UK)

Research Assistant, Geography Dept (2009-2012, Cambridge UK)

Research Scientist, National Centre for Atmospheric Science (2003-2009, Cambridge UK)

Research Scientist, Chemistry Dept (2000-2003, Cambridge UK)

Research Fellow, VU Laser Centre (1998-2000, Amsterdam, NL)
